

Thank you so much to those Clubs that have offered to help at the upcoming State Rally. Many hands make light work and any more help offered will be appreciated.

The NEVCC State Rally committee have all events organized and our own members will lead a roster system of all the helpers, so that the burden does not fall on just a few folk and everyone can enjoy their time at Wodonga.

Thank you to the Cobram Club for offering to do the breakfast on the Saturday morning. Good country cooks dishing up good country food. Grateful thanks to you all.

All of our NEVCC members have indicated that they are willing helpers around the grounds and the home made morning teas coming from their kitchens sound delightful.

Don't forget to let your imagination run wild for your "Petticoat Couture and Top Hat and Tails" outfit for the Saturday night dinner and also hone your skills for all the games organized, as I am sure you will be delighted by the rewards on offer.

Registrations are rolling in and sites will be allotted according to the size of your van. There's plenty of power, toilets, limited showers and undercover seating for your use. A dump point is on site.

We would really like to know the number of folk intending to go on each of the tours so places can be allotted.

This is especially crucial for the Military Museum tour as it is a security sensitive area and we have to have names into the Army three days before we go on the bus. Even the bus driver has to be named. \$5 entry fee

Wodonga Bowls Club would like to know how many would like a game of bowls on the Friday.

Those registering now please indicate your preferences and could anyone already registered, please either let me know, or the Registration Officer know your intentions.

If anyone would like another program or registration form please let me know via the email and I will send one to you.

Remember "first in best dressed" as we can only cater for 125 vans

We would love to see you all there and enjoy your company.
